

Errata

Erratum: Green's functions of composite operators and bound states in gauge theories [Phys. Rev. D 39, 2355 (1989)]

V. P. Gusynin, V. A. Kushnir, and V. A. Miransky

The equation without a number on p. 2364 [above Eq. (77)] should read

$$\Delta L_{4f} = \frac{G_0 N_f}{4} \sum_{a=0}^{N_f^2-1} [(\bar{\psi} \lambda^a \psi)^2 - (\bar{\psi} \gamma_5 \lambda^a \psi)^2] .$$

The rest of the equations of the paper are unaffected.

Erratum: Gauge-invariant, nonperturbative approach to quark confinement and chiral-symmetry breaking in QCD [Phys. Rev. D 40, 4157 (1989)]

V. Sh. Gogokhia

Equations (52a) for $F_2(p^2)$ and $F_3(p^2)$ were incorrectly written. The correct expressions are

$$F_2(p^2) = -\frac{2}{b} [B(t)E^{-1}(t)]' - F_4(p^2) ,$$

$$F_3(p^2) = \frac{2}{b} [A(t)E^{-1}(t)]' .$$

Equation (52b) should read

$$E(p^2) = p^2 A^2(p^2) + B^2(p^2) .$$
